Female Medicine Dr Townse d's Sarparilla is a sovereign and speedy cure for Incipent Consumption. tion, berrenness prolapsus Uteri, costiveness, piles, leucorrhosa, and for the general prostration of the female system—no matter whether the result of inherent cause r causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigerating effects on the bumon frame recson; all wakness and lassitude, from taking it, at nce become robust and all of energy under its infla-

euce. It immediately counteracts the nervelessness of the female frame, which is the great cause of barren ress. It will not be expected of us, in cases of so delrate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that build edsot cases To others and Maril d Ladies.
